

*******IMPORTANT NOTICE*******

The transformer that runs the telephone system at the Town Hall was hit by lightning during a recent storm. As a result, the phone extensions for the assessor (29), the building inspector (34), planning and zoning (21), the supervisor (28), and the court (23 and 24) are unable to record messages. If you call any of these extensions and no one picks up, the phone will kick back to the main message. You can leave a message at extension 26, the Town Clerk's extension, or you can send an email to townclerk@milan-ny.gov or zoning@milan-ny.gov and we will make sure the appropriate person receives your message.

We are sorry for the inconvenience and hope to have the phones operational soon.
