

NOTICE – FROM CABLEVISION

“As of January 1, 2014, there will be changes to the rates and fees for some Cablevision video services due to increase programming cost....sporting events and sports related programming. In addition, there will be changes to the Optimum Voice and Optimum Online service. Certain state and federal taxes and fees will be broken out as separate line items on the monthly bills or Optimum Voice customers. Optimum Online's basic service rate will also increase for a small number of customers. Customers are being notified 30 days in advance... more information is available on our website www.optimum.com.”

Disney-ABC Television Group has informed Cablevision that effective 12/31/13 it will cease to transmit SOAPnet programming. SOAPnet will no longer be available on Cablevision system.
