

# DUTCHESS COUNTY DEPARTMENT OF EMERGENCY RESPONSE

## OFFICE OF EMERGENCY MANAGEMENT

[\(845\) 486-2080](tel:8454862080)

### SEVERE WEATHER UPDATE

*Based on the latest information obtained through a conference call with the  
National Weather Service.*

**The National Weather Service has issued a Winter Storm Warning for Dutchess County and surrounding areas effective 7am tomorrow morning, however, snow is expected to begin closer to 5am.**

- Forecast models report Heavy Snow possible with snow accumulation of 6-12 inches or more possible.
- Snowfall rates up to 1-2 inches per hour at times.
- Snow expected Wednesday morning through morning on Thursday.
- Snow will be heaviest on Wednesday afternoon through late Wednesday evening.
- Hazardous travel conditions are expected.

*The Dutchess County Office of Emergency Management will continue to monitor forecast updates and weather conditions.*
